

Imagine That

Brittany K. Moore

Setting: Note, the location is The Store. The store is about the size of a basketball court; THE STORE has everything...and nothing. They advertise that they have everything, but there is very little of anything on the shelves—imagine, if you will, the approximate contents of a Convenience Store. However, they can always "get" it for you. Modern time with current technology.

PAGE TWO

Panel 1: Medium shot of Ivan sitting at his desk. In the background, there is knocking at the door.

1Caption: **Knock Knock**

Panel 2: Close-up shot of the door flying open and the silhouette of Tiffany in the doorway.

2Caption: Tiffany: "Seriously? You really think you're not fooling anyone!"

3Caption: Ivan was supposed to be the one to dedicate the running of the store, instead he spent his time secluded in his office.

Panel 3: Tiffany walks forward, hands on her hips. She is a young girl with furrowed brows. In the background we see Ivan Slammering his computer shut.

4Caption: Ivan: "What are you implying? I do my job, that's what matters."

5Caption: Tiffany: "With all due respect Ivan..." She pauses.

6Caption: Phone rings again: **Ring. Ring.**

Panel 4: Medium shot of Tiffany. She has her hands thrust in the air.

7Caption: Where you would expect a superior to take charge. Ivan sits behind his desk. The store, however, runs without him flawlessly. Magic to be implied.

8Caption: Sarah: "Seriously! You are not fooling anyone! For Pete's sake the phone is ringing off the hook."

9Caption: Ivan: "I don't appreciate your tone. Now get back to work and answer that phone."

Panel 5: Close shot of Tiffany as she stomps from the office. Her shoes make a loud noise to show her frustration.

10Caption: **STOMP**

11Caption: Tiffany: Grumbling under her breath: "I swear you're as useless as Ashley thinking she can figure out the store's secret magic."

PAGE THREE

Panel 1: Medium shot. We see Tiffany running into Stephen as he stomps into the office. He's a younger man and is brandishing the store's phone.

1Caption: Stephan: "Does anyone in this store answer the phone?"

2Caption: When the magic flows, some lines are bound to be crossed, curiosity to be piqued, but who keeps eating all the twinkies? That alone is an all-new magic. The disappearance of the twinkies.

Panel 2: Wide/far shot of Tiffany and Stephan and Ivan still sitting at his desk. Tiffany is pointing at Ivan. Stephan is now answering the phone.

3Caption: **BEEP BEEP**

4Caption: Stephen: "Hello?"

Panel 3: Close up of Ivan, raising his eyebrow. The shadow of Stephen in the background.

5Caption: Ineligible talking out of the side of the panel from someone in the phone.

Panel 4: Medium shot of Stephan thrusting out the phone. Beside him is Tiffany with her brows wrinkled in disgust.

6Caption: Stephen: "It's your wife."

8Caption: Ivan: "Ok now, both of you out! Before I fire you."

Panel 5: Wide shot of Ivan taking the phone. Tiffany, in the background, stomps out of the room.

9Caption: **BANG, STOMP.**

5Caption: Stephen: "Someone eating them?"

6Caption: Tiffany: "Well, maybe Ashley will find out who."

8Caption: Ashley: "I'm sure no one will notice."

PAGE FIVE:

Panel 1: Ashley is gorging herself on the twinkies. Wrappers are Strone around her. Jon is talking to w=someone at the end of the isle.

1Caption: Ashley: With her mouth full and mumbling, "I'm sure they won't care. I'm gonna get him."

Panel 2: Ashley still follows Jon in the next aisle. He continues to be talking to customers. Ashley drops twinkie wrappers and is still munching on them as they go.

2Caption: Can twinkies cause magic to take place? Some would say they bring their own type of magic. A magic the store knows all too well as YUMMY.

3Caption: Ashley: "Ha! I knew he would disappear again!"

Panel 3: In the next aisle. We see twinkie wrappers and Jon talking to another customer. The exit door is in the background.

4Caption: Jon: "What did you need?"

5Caption: Customer: Ineligible talking.

6Caption: Jon: loudly, "I'll get right on that for you!"

Panel 4: Close up of Ashley's face. She has twinkie cream on her lips. She looks as if she's concentrating.
