Award-winning movie “*Losing*” comes to YOU!

Community leaders at <2 Get Moore Publishing> are hosting a screening of the new, award-winning drama; “*Losing*” at <123456 Meme> on <Immediately>.

“*Losing*” follows the insecure floral shop owner Adrianna, as she discovers her strength after an encounter with a high-class old friend, who is determined for her to fail.

After a power outage leaves Adrianna with no flowers, she has to decide if she will allow her insecurities and shy manner dictate her success or strive to take charge of her future.

The film explores the issues of childhood trauma and overcoming versatility in the workplace when you have an honest backing and determination behind you.

The screening at <123456 Meme> is part of “*Losing’s*” campaign urging people to be more mindful of their ability to overcome diversity and limiting factors in their life instead of being a victim of circumstance.

<2 Get Moore Publishing> recognizes the importance of spreading awareness and hope when it comes to mental health and individuals who suffer from the stigma of being shy or insecure. It is our companies goal to spread awareness that brings light to the issue while also showing that determination is a triggering force to be reckoned with.
